Livingstone Kolobeng College Management proudly announce that our student Setho Mokgadi scooped the Top in the World Award in Agriculture. She follows in the footsteps of our former students such as Malebo Dimpho Manyelela and Baraka Minja who topped in Development Studies and Physics respectively.

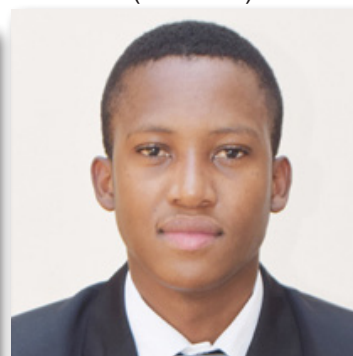

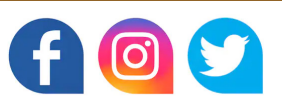

Our 2019 Examinations have also been highlighted by prestigious achievements in IGCSE, AS & A2. A total of Seven students attained Cambridge Awards of excellence in the following categories: Highest Achievement in Bo-

swana in Cambridge AS Accounting, Business studies; Mathematics; Cambridge AS Computer Science and Economics.

It gives us pride that our students at LKC are competitive at the global stage.

We are proud to note that a majority of our students are admitted in stellar universities across the world such as Stanford University, Northwestern University, Manchester University and Imperial College of London - all the reason for you to enrol your child with LKC.
